HOW DOES IT WORK?

You will be asked to complete 16 subjects via workbook or online learning. You choose the methods that [suits](#) you. You may also apply for Recognition of Prior Learning if you believe you already have the knowledge and skills relevant to a particular unit. An RPL application must [be submitted](#) at the time of enrolment [and](#) the onus is on the student to provide sufficient, current, valid and authentic evidence against each of the units. Where there are gaps in your evidence, a professional conversation with your assessor may provide additional evidence. Your assessor may also ask you to provide further evidence to substantiate your claim of competency in a particular unit/s.

Where gaps in evidence remain – that is that you cannot be considered competent on the evidence provided, gap training will be made available to you. For gap training, you will be provided with workbooks and given written assessments to complete.
