About this Report

This report details findings against the *Standards for Registered Training Organisations (RTOs) 2015* (Standards for RTOs). If non-compliance has been identified, this report describes evidence of the non-compliance.

Where non-compliance has been identified, the Registered Training Organisation is accountable for identifying and correcting non-compliant practices and behaviours, particularly those that have had a negative impact on learners.

Correcting a non-compliance may require:

- correcting a process or system that has led to the non-compliance, and implementing a revised process or system
- identifying the impact on learners and carrying out remedial action for current and past learners
